VACANCY NOTICE

IT NETWORK & SYSTEMS ENGINEER

CTC-ARI Airports Ltd, part of the ARI group, the Company managing the Travel Retail & Duty-Free shop operations at both Larnaca and Paphos International Airports, invites applications for **IT Network & Systems Engineer**, based at **Larnaca International Airport**.

Role
To play a key role in the design, implementation, support, and maintenance of our network infrastructure and systems. Having expertise in network implementations/support/administration, virtualization, and hands on experience with IaaS, the IT Network and Systems Engineer adds value by contributing to the smooth and secure operation of the organization's systems.

Duties & Responsibilities
- Maintain, monitor, and support the network infrastructure and business critical systems
- Monitor network and systems performance and make recommendations for improvements.
- Liaise with the IT team and vendors for new setups, configurations, and troubleshooting.
- Provide technical support and resolve complex network and system issues escalated from the System Administrators team.
- Maintain comprehensive documentation of network and system configurations, processes, and procedures.
- Be part of a roster providing on-call 24x7 support on a scheduled basis.

Requirements of the Role
- University degree in Computer Science, Computer Engineering, or other relevant field.
- Cisco CCNA Certification
- other IT related certification will be considered an advantage
- Minimum 2 years of relevant hands-on experience
- Strong understanding of network protocols, routing, and subnetting
- Strong knowledge of server administration, both physical and virtual, and experience with virtualization technologies
- Familiarity with identity access management, firewall rules, and network security controls
- problem-solving skills
- Proficiency in English and Greek
- Strong communication and collaboration skills
- Ability to work as part of a team and collaborate in multiple tasks and projects simultaneously.
- Ability to work in a fast-paced environment

Applications
Candidates may apply in writing through Careers (cydutyfree.com) or by submitting an application letter, their Curriculum Vitae and supporting documents to careers@ctcari.com. All applications will be treated in strict confidence and should reach us at the latest by **18ᵗʰ April 2024**. For any further enquiries, please contact Maria Andreou on 24-841497/24-841400.
